- 4-14.01 As a general rule labour relations matters shall be decided by a meeting (face to face if possible, by telephone or in any other manner) between the Union President and the Director of Human Resources. It is expected that a minimum of four face-to-face meetings will occur in every school year according to an agreed upon schedule.
- 4-14.02 With the agreement of both parties a larger meeting may be convened to discuss particularly important or sensitive issues. The size of this larger meeting shall be decided on an ad hoc basis prior to each meeting.

5-1.00 PRIORITY OF EMPLOYMENT LISTS FOR PART-TIME CONTRACTS

(the following clauses replace clauses 5-1.10 to 5-1.19)

- 5-1.10 The priority of employment lists that exist under clauses 5-1.10 to 5-1.19 of the 2009 agreement shall continue to exist under this article.
- 5-1.11 The board shall create priority lists for part-time contracts by region, for the schools in these regions, as follows:
- Chibougamau;
 - Saguenay-Lac St-Jean;
 - La Tuque;
 - Shawinigan/Trois-Rivières;
 - Thetford Mines;
 - Quebec City Area;
 - Schefferville.
- 5-1.12 The priority of employment lists shall contain the following information: the name of the teachers whom the board has decided to put on the list, the teaching categories for which the teacher is qualified, the seniority and the place of work during the current school year.
- Exceptionally the board may propose to the union that a teacher be placed on the lists subject to certain restrictions such as language of instruction or level of instruction. A teacher may also request similar restrictions. Restrictions can be lifted at anytime during the school year following an evaluation. Restrictions are confidential and will not appear on the official list. Teachers with such a restriction will be informed in writing by the school board along with a copy to the Union.
- The teacher is deemed qualified to teach in a teaching category (Appendix B) if he/she meets the criteria of clause 5-21.05 or if he/she has been judged successful in his/her teaching assignment of that category provided.
- 5-1.13 Teachers shall be placed on the list in the region in which their most recent part-time contract was granted. In a situation where a teacher is eligible to be on a new list, he or she must choose on which list he or she would like to be placed. This choice can only be made once a year, when the board updates the priority of employment list.

- 5-1.14 Once per year at the latest on June 30 of each school year, the names of legally qualified¹ teachers who have taught between 180 and 270 EFT days under part-time contracts in the previous three years, and who have been judged successful in their teaching assignment will be added to the appropriate list.
- A teacher who surpasses 270 days, without receiving notice by the school board of the intent not to place him or her on the list, is deemed to have been successful in his or her teaching assignment and is added to the list.
- Receipt of a notice of intent not to place a teacher on the list shall not be grounds by either party not to respect the contract of engagement to its term.
- 5-1.15 Teachers who have been non-reengaged for surplus and have exhausted their eligibility to a full-time contract shall be added to the appropriate list for part-time contracts.
- 5-1.16 Teachers who are on the list, but who have not worked as teachers for a period of two school years are removed from the list except in the case of:
- a maternity leave, a paternity leave or a parental leave covered by law;
 - a disability or work accident;
 - no contracts for which the teacher was qualified were available during that period;
 - any other reason agreed upon between the board and the union.
- Notwithstanding the foregoing, teachers who have not worked for a period of three years are automatically removed from the list.
- 5-1.17 The teacher's name is removed from the list for one of the following reasons:
- a teacher who has a regular full-time teaching contract with the CQSB;
 - a teacher who is not legally qualified within the meaning of clause 1-1.34.
- 5-1.18 The names of the teachers eligible to the lists are placed in order of seniority, as calculated by use of clause 5-2.05. Only seniority acquired under a teaching position will be considered.
- 5-1.19 Despite paragraph d) of clause 5-2.07, as long as a teacher is eligible to be on a list, he or she shall not lose seniority.

¹ Someone who is legally qualified in other Canadian Provinces or Territories of Canada and is providing proof that he or she is in the process of obtaining a Quebec Legal Qualification is deemed to meet the requirements. This process should not take more than 12 calendar months to complete, otherwise the name of the teacher shall be removed from the list. In exceptional circumstances, the 12-month period may be waived.

5-1.20 At the latest on June 30 of each school year, the board shall update the lists to add the seniority acquired during the school year and the teaching categories for those already on the lists.

A provisional list shall be sent to the teachers by June 1st.

5-1.21 No teacher may be assigned to more than one list.

5-1.22 A copy of the lists shall be forwarded to the union, by the board, within 30 days of the updating of the list.

USE OF THE PRIORITY LIST FOR GRANTING OF A PART-TIME CONTRACT

5-1.23 In its staffing process, no later than July 15th, the School Board shall draw a list of the available positions for the school year, per region. This list shall be transmitted to all teachers on the region's priority of engagement list. The Teachers shall have 48 hours to indicate their choice of position in order of preference. The School Board will assign positions in decreasing order of seniority and respecting the categories of employment and specific requirements. The School Board will confirm positions to teachers by email. If a teacher refuses his/her assignment, his/her name shall remain on the list and he/she is still eligible for positions still vacant following the application of the process of this article.

All communications related to this process will be transmitted by email.

During the school year, except in the case foreseen in the second paragraph of clause 5-1.08, the board, when it wishes to hire a part-time teacher, shall proceed to offer a part-time contract to the teacher with the greatest seniority on the appropriate list, who is qualified, in conformity with article 5-21.00, and meets the specific requirements of the position.

5-1.24 The teacher who holds a part-time contract may, with his or her agreement, be given additional hours of teaching, in the same school, up to a full workload.

5-1.25 Teachers on the lists who are offered a part-time contract may refuse any given part-time contract.

5-1.26 Teachers who are offered a part-time contract during the school year shall accept or refuse, in writing, any given part-time contract within 48 hours from the time the School Board has made a verbal or written offer.

- provide original certificates, diplomas and degrees as well as official transcripts of marks to the board;

- provide proof of teaching or relevant experience;
- provide information necessary for background checks;
- procure any other information required in writing following the application for employment.

5-1.28 Any deliberate false declaration made to obtain a contract of engagement fraudulently or any personal omission on the part of a teacher to comply with the provisions of clause 5-1.26 when it is possible to do so shall constitute a reason for terminating the teacher's contract by the board.

5-1.29 The teacher must inform the board in writing of any change of address or telephone number.

5-1.30 At the time of the engagement of a teacher under contract, the board shall provide the teacher with:

- the Internet link to access a copy of this agreement;
- an application form for membership in the union;
- an application form for the participation in the insurance plan or for exemption, if need be.

5-1.31 The board shall provide a copy of the teacher's contract of engagement when completed or no later than 35 workdays from the first workday. In the case of a contract obtained under the second paragraph of clause 5-1.08, the time limit shall begin as of the 61st workday.

5-5.00 Promotion

5-5.06 The board and the union agree to add the following clause to article 5-5.00.

5-5.07 In all cases, when filling a position of principal, vice-principal or consultant, the board shall send to the union, and post in the school which it administers and on the board's Website, a notice containing:

- a brief description of the particular characteristics of the position and the benefits connected with it;
- a listing of criteria of eligibility and the requirements of the position;
- an invitation to apply in writing for the said position within specific periods of time which shall not be less than five working days.

During the months of July and August, the board shall send a copy of the notice to the union office.

5-6.00 Personal file and all issues pertaining to disciplinary measures and sanctions excluding dismissal and non-reengagement

SECTION A DISCIPLINARY MEASURES AND SANCTIONS

5-6.01 A disciplinary measure shall take the form of a letter of warning, reprimand or suspension. A suspension may be with or without total salary. A suspension cannot last more than 20 workdays, unless there is an agreement to the contrary between the board and the union.

5-6.02 All disciplinary measures must originate from the board or the school administration in accordance with this article.

5-6.03 Normally, a letter of reprimand shall be issued only if it has been preceded by at least one written warning on the same subject or a similar subject.

5-6.04 A letter of warning, reprimand or suspension must outline the reasons for the disciplinary measure. In the case of a suspension, the duration of the suspension must be indicated.

5-6.05 Every teacher receiving a disciplinary measure shall be summoned to a meeting where the disciplinary measure will be issued. The teacher must receive a written notice at least 48 hours before the meeting specifying the subject to be discussed. Such a notice shall also be given to the union delegate.

5-6.06 Every teacher summoned for disciplinary reasons is entitled to be accompanied by the union delegate or by another union representative. The union delegate, if necessary, shall be released from his or her teaching duties for the time required for the meeting with the school administration.

5-6.07 The letter of warning, reprimand or suspension shall be given to the teacher in question and a copy thereof shall be forwarded to the union. For the sole purpose of acknowledging that he or she knows the content thereof, the letter must be countersigned by the teacher. If the teacher fails to countersign the letter, the union delegate or, in his or her absence, another person must sign to acknowledge the fact that a disciplinary letter has been given or sent to the teacher in question.

5-6.08 In the event that the teacher does not present himself or herself at the disciplinary meeting, the countersigned letter shall be sent to the teacher in question by registered or certified mail, by electronic means, or delivered by hand or bailiff.

SECTION B PERSONAL FILE

5-6.09 Only a disciplinary letter countersigned under clause 5-6.07 may be placed in the teacher's personal file.

5-6.10 Within 15 workdays of receiving a letter or warning, reprimand or suspension, the teacher may make written comments he or she feels relevant to the disciplinary measure and have the comments entered in his or her personal file.

- 5-6.11 Every letter of warning placed in the teacher's personal file shall become null and void 200 workdays after the date on which it is issued unless it is followed by a disciplinary measure on the same subject or a similar subject within that period.
- 5-6.12 Every letter of reprimand placed in the teacher's personal file shall become null and void 200 workdays after the date on which it is issued unless it is followed by a disciplinary measure on the same subject or similar subject within that period.
- 5-6.13 Every letter of suspension placed in the teacher's personal file shall be withdrawn from the said file 300 workdays after the beginning of the suspension unless it is followed by a disciplinary measure on the same subject or a similar subject within that period.
- 5-6.14 In the case of a subsequent disciplinary measure within the time period prescribed in clause 5-6.11, 5-6.12 or 5-6.13, the expiry date of the measure shall automatically be carried forward to the expiry date of the second measure.
- 5-6.15 For the purposes of the periods prescribed in clauses 5-6.11 to 5-6.13, the teacher must have been at work in the employ of the board for at least half of those days.
- However, the balance of days necessary to complete the period prescribed may be workdays or leave. A parental leave or a leave caused by circumstances beyond the teacher's control shall be counted as workdays.
- 5-6.16 Any disciplinary letter that has become null and void shall be returned to the teacher. The comments entered under clause 5-6.10 shall also become null and void and shall be returned to the teacher at the same time as the disciplinary letter to which the comments refer.
- 5-6.17 Upon prior notification of at least 48 hours and at any time during the board's regular office hours, the teacher accompanied or not by a union representative, may consult, at a designated location determined by the board, his or her personal file on the condition that he or she provides proof of his or her identity, if necessary.
- Subject to the same conditions, a union representative, with the teacher's written permission, may consult the teacher's personal file.
- 5-6.18 The only evidence that may be used against a teacher during arbitration shall be found in the teacher's personal file at the board in accordance with this article.
- 5-6.19 Pursuant to article 9-2.00, the union may contest both the grounds and the procedure for a disciplinary measure defined in clause 5-6.01.
- 5-7.00 Dismissal
- 5-7.01 The board may only terminate a teacher's contract of engagement for one of the following reasons: incapacity, negligence in the performance of his or her duties, insubordination, misconduct or immoral behavior.
- 5-7.02 The board or the school administration may relieve the teacher temporarily of his or her duties, with or without total salary.

- 5-7.03 The teacher and the union must be informed by written notice sent by registered or certified mail, by electronic means, or delivered by hand or bailiff of:
- a) the board's intention to terminate the teacher's engagement;
 - b) the date on which the teacher was or will be relieved of his or her duties;
 - c) the basic facts, for information purposes, and the reasons supporting the intention to dismiss the teacher, without prejudice. No objection may be based on the insufficiency of the facts provided.
- 5-7.04 As soon as the union is notified, it may investigate and make the representations it deems necessary.
- 5-7.05 A teacher's contract of engagement may only be terminated between the 15th and the 35th day from the date on which the teacher was relieved of his or her duties unless the board and the union agree in writing on an extension of the time limit.
- The contract may be terminated only after deliberations at a meeting of the council of commissioners or the board's executive committee.
- 5-7.06 At least 48 hours before the meeting is held, the union shall be notified of the date, time and place where the decision to terminate or not the engagement shall be made. The union and the teacher concerned may intervene and be present during the vote at the public meeting. The union and the board shall determine the terms and conditions of the intervention.
- 5-7.07 Within three workdays of the board's decision, the board shall send notice to the teacher and the union by registered or certified mail, by electronic means, or delivered by hand or bailiff of its decision to terminate or not the teacher's contract of engagement and, as the case may be, of the date on which the teacher resumed or is to resume his or her duties.
- 5-7.08 If the board does not terminate the contract of engagement within the time limit prescribed, the teacher shall regain all his or her rights, including total salary, as though he or she had never been relieved of his or her duties.
- 5-7.09 In the case where criminal action is taken against the teacher and the board considers that the nature of the accusation causes it serious prejudice as an employer it may relieve the teacher of his or her duties without total salary until the conclusion of his or her trial. The time limit prescribed in clause 5-7.05 shall begin as of the date on which the teacher informs the board that a judgment was issued related to this lawsuit.
- 5-7.10 The board agrees not to invoke the absence of legal qualifications to terminate the contract of a teacher engaged as such.
- 5-7.11 Should the union wish to submit a grievance, it must do so in accordance with article 9-2.00.

- 5-7.12 The arbitrator hearing the grievance shall decide whether the procedure prescribed for the dismissal was followed and whether the reasons given by the board in support of such a dismissal constitute one of the reasons for termination specified in clause 5-7.01.
- The arbitrator may modify or annul the board's decision, if the procedure prescribed was not followed or if the reasons for dismissal are not justified or do not constitute sufficient cause for dismissal, may order that the teacher in question be reinstated in his or her duties and may determine, if need be, the amount of the compensation to which he or she is entitled.
- 5-8.00 Non-reengagement
- 5-8.01 This article applies to regular teachers only.
- 5-8.02 The board may decide to non-reengage a teacher for one of the following reasons only: incapacity, negligence in the performance of his or her duties, insubordination, misconduct, immoral behavior and surplus of personal within the framework of article 5-3.00.
- 5-8.03 The union must be informed no later than May 15 of each year, by means of a list to this effect, sent by registered or certified mail, by electronic means, or delivered by hand or bailiff of the board's intention not to renew the engagement of one or more teachers. The board must also forward such a notice to the teacher concerned. However, this clause does not apply to non-engagement because of surplus of personnel within the framework of article 5-3.00.
- 5-8.04 As soon as the union receives the list, it may investigate and make the representations it deems necessary.
- 5-8.05 At least 48 hours before the meeting is held, the union shall be notified of the date, time and place where the decision regarding non-engagement shall be made.
- The union and the teacher concerned may intervene and be present for the vote during public meetings. The board and the union may determine the terms and conditions of the intervention.
- 5-8.06 The board must, before June 1 of the current school year, send a written notice by registered or certified mail, by electronic means, or delivered by hand or bailiff to the teacher concerned and the union of its decision not to renew the engagement of the teacher for the following school year. The notice must contain the reason or reasons justifying the board's decision.
- A decision concerning a non-engagement may be made at a meeting of the council of commissioners or of the board's executive committee only.
- 5-8.07 The union may, if it claims that the procedure provided for in this article was not followed, submit a grievance to arbitration in accordance with article 9-2.00.
- 5-8.08 The union may, if it contests the reasons given by the board, submit a grievance to arbitration in accordance with article 9-2.00, but only if the teacher has been in the

employ of a board, a school administered by a government ministry or another education institution designated by the Minister, in which he or she held, with the same employer, a pedagogical or educational position² for two periods of 160 workdays or more or, if there was a change in employers, three periods of 160 workdays. Each period falls in a distinct year of engagement included in a continuous period not exceeding five years.

- 5-8.09 The arbitrator hearing the grievance shall decide whether the procedure prescribed for the non-engagement was followed and, where applicable, whether the reason or reasons given by the board in support of the non-reengagement constitute one of the reasons for non-reengagement mentioned in clause 5-8.02.

The arbitrator may annul the board's decision if the procedure prescribed was not followed or if the reason or reasons for non-engagement are not well-founded or do not constitute sufficient cause for non-engagement, may order that the teacher in question be reinstated in his or her duties and may determine, if need be, the amount of the compensation to which he or she is entitled.

- 5-8.10 The lack of legal qualifications may not be invoked against a teacher who has met, within the time limits prescribed, the conditions set for obtaining the legal qualifications but who has not produced the required documents due to an administrative delay not attributable to him or her.

- 5-9.00 Resignation and breach of contract

SECTION A RESIGNATION

- 5-9.01 The teacher shall be bound by his or her contract of engagement for the duration specified therein. However, the teacher may resign from the board without penalty 15 workdays after notifying the board. The teacher may resign prior to the expiry of the time limit, provided the board engaged a replacement for the teacher.

In the case of a resignation submitted between June 15 and the first workday of the school year, the period of notice required will be 21 calendar days.

SECTION B BREACH OF CONTRACT

- 5-9.02 When a teacher does not report to the school administration or does not assume the duties to which he or she is assigned and fails to give valid reasons for the absences within five workdays from the beginning of the absence, the absence and failure to give valid reasons constitute a breach of contract, retroactive to the date of the beginning of the absence. There is no breach of contract if the teacher does not give valid reasons within the time limit prescribed due to physical or mental incapacity or due to circumstances beyond his or her control, proof of which shall be the responsibility of the teacher.

² Within the meaning of the Règlement définissant ce qui constitue une fonction pédagogique ou éducative aux fins de la Loi sur l'Instruction publique (L.R.Q., 1981, c-I-14, r. 9) in effect on December 1st 2017.

- 5-9.03 A teacher who is on a leave without salary that terminated at the end of a school year and who fails to give notice of his or her intention to resign within the time limit specified in clause 5-9.01 shall be considered as returning to work. However, the teacher who does not return to his or her position on the first workday of the school year during which he or she must return to work shall be in breach on contract as of the second workday of that same year.
- 5-9.04 The fact that a teacher uses his or her leave of absence without salary for purposes other than those for which he or she obtained it may constitute a breach of contract as of the beginning of the leave, unless there is an agreement between the teacher and the board.
- 5-9.05 Failure on the part of a teacher to signify, under clause 5-7.09, that a judgment has been rendered in his or her case within the time limit specified will constitute a breach of contract from the date on which he or she was relieved of his or her duties.
- 5-9.06 In the case of a breach of contract within the meaning of clauses 5-9.02, 5-9.03, 5-9.04 or 5-9.05, the contract shall not be terminated automatically. Such a breach of contract shall constitute a reason for dismissal and shall have the effect of allowing the board to terminate a teacher's contract of engagement according to the procedure prescribed in clauses 5-7.03, 5-7.04 and 5-7.06.
- 5-9.07. Such termination is retroactive to the date specified in clauses 5-9.02 to 5-9.05.
- 5-9.08 Such a breach of contract cannot have the effect of canceling the payment to a teacher of any amount owing under the agreement.
- 5-11.00 Regulations regarding absences

- 5-11.02 A teacher intending to return to duty shall give notification beforehand to the principal of the school in accordance with the instruction issued by the latter regarding the policy to be followed in that school and according to the regulations established by the board.
- 5-11.03 A teacher who has been absent shall, on the day of return to duty, provide the principal of the school with a completed form indicating the length of time and the reason for the absence. The teacher shall also provide a medical certificate if required to do so by virtue of article 5-1.00.
- The form to be used will be determined by the board after consultation of the union. Any changes to the form will be implemented only after consultation of the union.
- 5-11.04 The failure of the teacher to give reasons for an absence as indicated in clause 5-11.03, and except in cases where it is clearly impossible to do so, all cases of absence without prior approval from the principal shall be treated as unauthorized absence subject to income deduction excluding the benefits provided for in Chapter 12-0.00.

- 5-11.05 The board may contest the reasons stated within 30 days following the date upon which the teacher has submitted the reason for the absence. In the case of contesting a medical certificate, the above delay shall not begin until the submission of the said certificate.
- 5-11.06 The requirement of a teacher reporting to the school shall be waived if the board or its principal declares the school closed to pupils because of inclement weather or for reasons which cause the building to be unfit for normal use. It shall be the teacher's responsibility to assure that the school has been declared closed by the board or its principal.
- 5-11.07 If the school is closed when the pupils are already present in the school, a sufficient number of teachers shall remain on duty until the dismissal of the pupils has been completed to the satisfaction of the principal.
- 5-12.00 Civil responsibility
- 5-12.01 This article also applies to casual supply teachers, teachers-by-the-lesson and hourly paid teachers.
- 5-12.02 The board shall undertake to assume the case of every teacher whose civil responsibility might be issued during the actual performance of his or her duties during the workday or outside the workday when the teacher is carrying out activities specifically authorized by the school administration. The board agrees to make no claim against the teacher in this respect, unless a teacher has been found guilty of serious faults or gross negligence by a court of law.
- 5-12.03 As soon as the legal responsibility of the board has been established by a court of law, the board shall indemnify every teacher for the total or partial loss, theft or destruction of personal belongings which by their nature are normally used in or brought to school, unless the teacher has shown gross negligence which has been established by a court of law. However, in the case of theft due to breaking and entering, or of destruction due to acts of God, such as fire, the board shall indemnify the teacher even if its legal responsibility has not been established. In the event that such loss, theft or destruction is already covered by insurance held by the teacher, the compensation paid shall be equal to the loss actually incurred by the teacher.
- 5-14.00 Special leaves
- 5-14.01 Clause 5-14.02 of the Provincial Agreement is replaced by clauses 5-14.06 to 5-14.12.
- 5-14.06 For the events mentioned in clauses 5-14.07 to 5-14.12, the board shall grant each full-time teacher a maximum of eight non-cumulative nonredeemable working days each year without loss of salary, supplements or premiums for regional disparities.

Such an indication should specify a maximum or a minimum number of hours, an expressed priority in the subject area program, a restricted geographical mobility, specific time(s) of the day and the year, the number of hours per day, per week, per semester, etc.
- 11-02.12 A teacher whose name is placed on the recall list for the first time shall receive, no later than July 30th, a copy of the form on which he or she shall indicate the periods of availability for the following school year. The board shall mail this document to the teacher's designated address. This form must be returned to the board within 15 days.
- 11-02.13 The board shall forward to the union a copy of the availability sheet completed by each teacher by August 30.
- 11-02.14 It is understood that the teacher shall be available to be recalled by the board only during those periods indicated on the form. A teacher may amend the notice of availability once a year including the priority expressed. To do so, the teacher must complete and send a new form to the board.
- In the situation where a teacher had indicated a period of non-availability, the right to be recalled shall be resumed only from the moment the board receives the new form.
- 11-02.15 The board shall forward to the union a copy of any change in a teacher's availability as it occurs.
- 11-02.16 The form to be used shall be determined by the board after consultation with the union.

- a) The position shall be offered to the teachers on the recall list who are deemed by the school board to be capable of fulfilling the requirements of the position and whose declarations of availability include the position;
- b) The position shall be offered in order to the teachers who have the greatest number of teaching hours on their recall list and whose declaration of availability includes the position;
- c) Failing the above, the position shall be offered to a teacher not on the recall list.

- 11-02.19 A teacher whose name is on the recall list must inform the board where he or she can be reached by telephone, by fax or by email. The school board shall not have the obligation to offer a position to a teacher who cannot be contacted within a 48-hour period.
- 11-02.20 In the event that two or more teachers have the same number of hours in the specialties listed in clause 11-02.02, priority for recall shall be assigned in the order to the date of entry into services with the board from the earliest to the latest.
- 11-02.21 Should two or more teachers remain tied following application of the above clause, order of priority shall go to the teacher with the greatest amount of teaching hours.
- 11-02.22 When a teacher accepts a position, a contract stipulating the conditions of the teaching position shall be signed by the teacher and the school board. If, by mutual agreement, the contract is not fulfilled, in part or in whole, then the teacher would not be in breach of contract.

- 11-02.24 The board shall offer a position to the teacher on the recall list who cannot be available for work because of maternity or adoption. For the purpose of this clause, the words maternity and adoption shall be interpreted according to those provisions that would apply to the maternity or adoption leave if the teacher were a regular full-time teacher. These provisions shall apply in the following manner:
- a) For the teacher paid at the hourly rate, the position shall be granted and conserved for the duration of the leave. Furthermore, the hours foreseen for the position shall be considered taught for the duration of the leave. However, the teacher shall not be entitled to remuneration during the leave;
 - b) For the teacher under contract, the position and the contract shall be granted, and the teacher shall be entitled to the maternity or adoption leave, and benefits according to the provision of article 5-13.00 as if he or she were a regular full-time

teacher. The hours foreseen for the position shall be considered taught for the duration of the leave.

a) Cancellation of the teaching contract by the school board due to an insufficient number of eligible students;

Or

b) Cancellation of a course or program by an institution with whom the school board has an agreement.

The stipulations of this clause do not apply if the board can offer the teacher another contract with at least the equivalent number of hours.

The teacher shall not be entitled to remuneration for the hours not taught.

11-02.26 Any changes in the contract concerning localities and/or time shall be made by mutual agreement.

11-02.27 A teacher hired by the school board on an hourly rate or by part-time contract may resign without penalty provided that the teacher gives notice of his or her intent to the board at least 15 working days before the projected date of resignation.

11-02.28 When courses are offered by the school board and when conditions which prevent the use of the recall list are placed on the school board by outside bodies, the school board shall not be bound to follow the recall list. The burden of proof to establish such a need shall be borne by the school board.

11-02.29 If, in the application of clauses 11-02.01 to 11-02.28, there is a lack of clarity about how to proceed, the school board and the union agree to meet to work an appropriate resolution to any problems that may exist.

- b) Serious illness or disability of the teacher, or the teacher's spouse, child or parent;

The teacher shall then receive credit on the recall list for the number of hours the teacher would have taught. However, the teacher shall not be entitled to remuneration for the hours not taught.

13-03.24 The board shall offer a position to the teacher on the recall list who cannot be available for work because of maternity or adoption. For the purpose of this clause, the words maternity and adoption shall be interpreted according to those provisions that would

apply to the maternity or adoption leave if the teacher were a regular full-time teacher. These provisions shall apply in the following manner:

- a) For the teacher paid at the hourly rate, the position shall be granted and conserved for the duration of the leave. Furthermore, the hours foreseen for the position shall be considered taught for the duration of the leave. However, the teacher shall not be entitled to remuneration during the leave;
- b) For the teacher under contract, the position and the contract shall be granted and the teacher shall be entitled to the maternity or adoption leave, and benefits according to the provision of article 5-13.00 as if he/she were a regular full-time teacher. The hours foreseen for the position shall be considered taught for the duration of the leave.

13-03.25 In the following circumstances, when the board cancels or modifies a teaching contract, a teacher shall receive full credit on the recall list for the number of hours that he or she would have taught:

- a) Cancellation of the teaching contract by the school board due to an insufficient number of eligible students;

Or

- b) Cancellation of a course or program by an institution with whom the school board has an agreement;

Or

- c) Changes in the terms of the agreement.

The stipulations of this clause do not apply if the board can offer the teacher another contract with at least the equivalent number of hours.

In the case of a contract of shorter duration, then the difference of hours shall be credited on the recall list.

The teacher shall not be entitled to remuneration for the hours not taught.

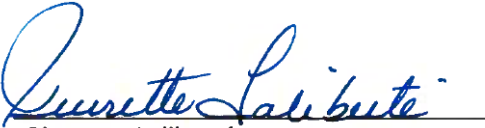

13-03.26 Any changes in the contract concerning localities and/or time shall be made by mutual agreement.

13-03.27 A teacher hired by the school board on an hourly rate or by part-time contract may resign without penalty provided that the teacher gives notice of his or her intent to the board at least 15 working days before the projected date of resignation.

13-03.28 When courses are offered by the school board and when conditions which prevent the use of the recall list are placed on the school board by outside bodies, the school board shall not be bound to follow the recall list. The burden of proof to establish such a need shall be borne by the school board.

13-03.29 If, in the application of clauses 13-03.01 to 13-03.28, there is a lack of clarity about how to proceed, the school board and the union agree to meet to work an appropriate resolution to any problems that may exist.

The parties agree that the attached text constitutes the stipulations negotiated and agreed upon at the local level as well as the local arrangements, in accordance with the Act respecting the process of negotiation of the collective agreements in the public and parapublic sectors and pursuant to the 2005-2010 provincial agreement.
